Go to the Customize and control Google Chrome:

Click on Settings/Security and Privacy/Cookies and other site date:

In the "Cookies and other site data" window, configure "Always clear cookie when windows are closed" with the websites below:

- Click Add and 1 by 1 add the sites (check "Including third-party cookies on this site")
- If you are a report developer, add all 3.
- If you don't build reports, but run reports add only bianalytics.ucsd.edu

bianalytics.ucsd.edu

its-cog-dev.ucsd.edu

its-cog-qa.ucsd.edu

Always cle	ar cookies when windows are closed	Add
Ø	its-cog-qa.ucsd.edu Including third-party cookies on this site	
Ø	its-cog-dev.ucsd.edu Including third-party cookies on this site	Î
0	bianalytics.ucsd.edu Including third-party cookies on this site	Î

Close Chrome and reopen, you should now be able to access reports.
