

How to Apply for HEERF III Funding

Procedures for Students in the School of Medicine and Skaggs School of Pharmacy:

Health Sciences Financial Aid Office, serving students in the School of Medicine and Skaggs School of Pharmacy and Pharmaceutical Sciences, is in the process of automatically disbursing funds to financial aid recipients who were determined to have exceptional financial need. For all other SOM and SSPPS students, the Health Sciences Financial Aid Department realizes that exceptional financial need can be represented by other factors, including situational financial need brought about by economic hardship. Therefore, the Health Sciences Financial Aid Office will provide the opportunity for SOM and SSPPS students to apply for funding via a HEERF III application if you did not previously qualify. The **HEERF III Grant information is found on the Health Sciences Financial Aid website [HERE](#).**

Procedures for Graduate and Professional Students:

To apply for a HEERF III Grant, graduate and professional students (excluding School of Medicine and Skaggs School of Pharmacy & Pharmaceutical Sciences) should use the [Graduate 2021-22 HEERF III Grant Special Request Form on TritonLink under Financial Tools > Financial Aid.](#)

The screenshot shows the UC San Diego TritonLink website. The top navigation bar includes 'CURRENT STUDENTS' and 'UC San Diego'. Below the navigation bar, there are search fields for 'Search:' and 'Find Faculty/Staff:'. The main content area features the 'TRITONLINK' logo and a navigation menu with categories: 'Academics', 'Finances & Jobs', 'Student Life', 'Well-Being', and 'Campus Services'. The 'My TritonLink: Tools' page is displayed, with a sub-header 'My TritonLink: Tools' and a 'Last Updated' timestamp. A 'Give feedback' link is also present. The page lists various tools under three categories: 'Advising tools', 'Financial tools', and 'Classes & enrollment tools'. The 'Financial tools' list includes: 'Billing and Payment', 'Direct Deposit', 'Financial Aid' (circled in red), 'Health Fee Waiver', 'Holds', 'Parking Permits', 'Residency for Tuition Purposes', and 'Triton Cash Account'. The 'Advising tools' list includes: 'Degree Audit', 'General Catalog', 'GPA Calculator', 'Major and Minor', 'Transfer Course Approximations', and 'Virtual Advising Center'. The 'Classes & enrollment tools' list includes: 'WebAdvisor'.

All students are strongly encouraged to both [update their current mailing address](#) and [enroll in direct deposit for financial aid](#) via TritonLink immediately. As administrative processing may take up to 10 days, completing this action early increases the chance that any distribution of HEERF III Grants (and all other stipends/refunds) will be received via direct deposit, and mitigates potential issues/delays with paper checks during the ongoing pandemic.
